Mattresses

for your Home

Here at **C&J Marine Ltd** we are renowned for our expertise and quality of the Upholstery and Mattresses we manufacture and supply throughout the Marine industry. This quality is now available in the home! We are proud to present our range of Domestic Luxury Memory Foam Mattresses for your home.

MEMORY FOAM MATTRESSES

Why Choose a Memory Foam Mattress from C&J Marine Ltd.

The foam used in all of our mattresses is of the highest quality and grade and is manufactured in the UK, you only have to feel the difference to see the quality compared to other mattresses on the market and they do not come vacuum packed as some retail outlets might offer.

The quality of the foam used means that unlike conventional sprung mattresses you do not need turn these over. The covers are completely hypo-allergenic, removable and fully dry cleanable. All variations of mattresses comply to UK flammability and safety regulations.

C&J Marine Ltd are able to offer two variations of mattress.

The Classic

The **CLASSIC** range is a mattress with a combination of 6" of high density foam topped with a 2" layer of superior quality 60 density memory foam, and wrapped in a luxury velour cover. This is available as either a 3' or 4'6" mattress.

The Ultra

The second variation is the **ULTRA** range which has extra comfort with the additional benefit of a 2 ³/₄" layer of superior quality 60 density memory foam. This mattress is wrapped in a luxury modal cover for that extra level of comfort and is available as a 4'6" or 5' mattress.

As with all products supplied by C&J Marine Ltd they come backed with a service which is second to none! For more information and a price list please do not hesitate to contact the sales team. We are ready and waiting to take your call or alternatively buy on line at www.canvasaccessories.co.uk

LUXURY POCKET SPRUNG MATTRESSES

designed for the discerning mariner.

In our attempt to bring you the ultimate in luxury for you and your vessel C&J Marine Ltd are now able to offer 2 ranges of Luxury pocket sprung mattresses to compliment the range of upholstery currently available for the discerning mariner. These mattresses are unequalled in comfort and are made from only the very best materials available.

The Luxury Classic

The first variation is our Luxury Classic mattress comprising of 300 covered 5 turn coil springs per sq metre complete with a 3cm thick layer of contract foam on the top and bottom. The top of the mattress is made from a polyester and cotton ticking and covered with a 400 gram wadding with an 8mm layer of foam.

The Luxury Ultra

For those who prefer something extra, our Luxury Ultra mattress comprises 600 multi pocket, 7 turn coil springs per sq metre. This allows for 5 comfort areas to be built in to the mattress offering firm back support with a softness for the shoulder area. The top side of the mattress is covered in a 3cm layer of comfortable foam and a 3cm layer of micro perforated latex. To finish off our Luxury Ultra mattress you have 2 layers of 300 gram pick and jump wadding with an 8mm thick foam liner, all wrapped in a superb silver damask cover with double tube handles and aerators. This results in an unequalled level of comfort not seen before in the marine market.

Both mattress variations come split down the centre into 2 parts for ease of handling and can be made to suit most shapes of berth.
