

Halyard Bags

The C&J Halyard Bags are available in 3 options to suit most requirements. A mesh base to allow for water drainage and adjustable shockcord top hem are included. Marine grade acrylic canvas is used in the construction of the bag. The canvas can be cleaned by washing with a mild soap solution. We suggest that the bags be secured to the bulkhead by using stainless steel self tapping screws and washers (not included).

Approximate dimensions		Height	Width	Depth
HB02	Single Pocket	310mm	160mm	100mm
HB03	Double Pocket	330mm	360mm	110mm
HB04	Triple Pocket	330mm	500mm	120mm

Sailing Holdall

Manufactured from shower-proof marine grade acrylic canvas our ever popular Sailing Holdall is available in 2 sizes. Two zip end pockets, detachable shoulder strap, full length 'chunky' zip and soft finish webbing handles are all incorporated as standard. Our Sailing Holdall is lightweight and machine washable at 30 degrees (use mild soap flakes).

Approximate dimensions		Height	Width	Length
HD01	Small	260mm	180mm	450mm
HD02	Large	320mm	200mm	600mm
